Another Embrace Grace Program Started!

MAY 20TH | 11-WEEKS

At its heart, Embrace Grace works by partnering with local churches to create judgment-free support groups where pregnant women and single parents can find emotional, spiritual, and practical support. Their philosophy is often described as “Pro-Life is a stance. Pro-Love is the action.”

Adopt a Mom!

MAKING A DIFFERENCE ONE MOTHER AT A TIME

When you adopt a mom through Lovli Life, you provide more than practical support—you offer hope, encouragement, and the reminder that she is not alone. Your partnership helps supply essential resources such as maternity and baby items, transportation assistance, educational opportunities, and other support that empowers mothers toward stability and independence.

Through the Adopt a Mom program, you become part of a story of hope and restoration, helping mothers and their babies build brighter futures. Together, we can create lasting change—one mom, one baby, and one family at a time.

Sponsor a Baby Shower!

CELEBRATE A MOM, CHANGE A LIFE

Sponsoring a baby shower provides more than essential items like diapers, clothing, car seats, and strollers—it offers encouragement, connection, and celebration for an expectant mother. Each shower is personalized around the mother's chosen theme, creating a meaningful and memorable experience that honors her journey into motherhood.

By sponsoring a baby shower, you help a mother feel seen, valued, and supported while providing resources that help her welcome her baby with confidence. Together, we can create joyful memories and build a strong foundation for both mother and child.

October 3rd: 1st Annual Bike Ride!

MORE INFORMATION TO COME

On June 4, Teresa and Ron Leet shared the mission and vision of Lovli Life with members of the Christian Motorcycle Association, highlighting how we support single pregnant women through safe housing, mentorship, and meaningful relationships.

They also invited the association to partner with us for our 1st Annual Lovli Life Bike Ride this October. We are grateful for the opportunity to connect with this dedicated group of men and women and look forward to growing this partnership as we work together to bring hope, stability, and dignity to the mothers we serve.

Mission Moment!

BEL AIR CHURCH OF THE NAZARENE

On June 14, Teresa and Ron had the opportunity to share Lovli Life's mission and vision with the congregation at Bel Air Church of the Nazarene. They spoke about how Lovli Life empowers single pregnant women through safe housing, mentorship, and supportive relationships, while Teresa shared her personal testimony of hope, redemption, and the life-changing impact of having someone believe in you.

The response was incredibly encouraging. Many attendees shared their own stories and expressed a desire to support our mission of providing hope, dignity, and stability to vulnerable mothers and their babies. We are grateful for the connections made and for the opportunity to partner with Bel Air Church of the Nazarene in serving families in our community.

An Embrace Grace Testimonial!

"From the bottom of my heart, thank you for everything you have done for me. Before finding Lovli Life, Embrace Grace, and Freedom Church, I was on a very different path. After experiencing an abortion in 2019, I found myself searching for meaning in all the wrong places and eventually became deeply involved in spiritual practices that led me further from God. Through the love, support, and encouragement I received, my life has been transformed. Today, I believe in Jesus Christ again, and I am committed to raising my baby to know God's love and truth.

I am so grateful that you found me exactly when you did. When I hear the phrase, 'He left the 99,' it deeply resonates with me because I truly believe God pursued me when I needed Him most. Thank you for helping me find my way back home."

A Word From Teresa!

God Is Not a God of Convenience

"Jesus stopped."

That phrase appears over and over in the Gospels, and it never stops striking me. A blind man cries out from the roadside — Jesus stops. A woman with an issue of blood touches the hem of His garment in a crowd — Jesus stops. A funeral procession crosses His path — Jesus stops. Lazarus is dead and the sisters are grieving — Jesus goes. He was never in a hurry. He never looked at the interruption and weighed it against His itinerary. **Jesus had no agenda that outranked a person in need.**

God is not a God of convenience.

I had to learn this the hard way. Someone offered me a donated crib. My response? "We don't really need it right now, and I don't know where I'd put it." Practical. Reasonable. Completely self-referencing. I wasn't thinking about the crib as a provision in motion-But God was thinking about a mama whose toddler was still in her bed because there was nowhere else for the baby to sleep.

A Continued Word From Teresa!

A bag of maternity clothes? Same story. My thoughts were " We don't have an immediate need, and maternity clothes are so personal". I was too busy thinking of excuses, the Lord saw that, and I said yes before I could catch my answer! God had already identified a woman who needed exactly what was in that bag and had no real way to get it herself. I almost stood in the way of that blessing because of my convenience.

Then a friend held up a mirror.

I was tempted to skip a trip because of a delayed flight — longer layover, longer travel day, the inconvenience of it all. She looked at me and said something I couldn't unhear: "God isn't a God of Convenience (thank you Heather for speaking truth); You're letting inconvenience make decisions that God already made." I was annoyed by her comment. She was right. And I told her so, later 😊

Jesus gives us gifts to flow through to others. Being focused on my schedule, comfort and convenience, almost denied two needs in our community.

If we are to Love Boldly and Live Intentionally, we must be willing to forgo our itinerary, agenda and comfort.

Here's what I've learned: When someone offers you something to give away — take it. You may not see the need, but God already does. When a flight is delayed, a plan falls through, or your schedule gets disrupted — lean in. The inconvenience may be the divine appointment.

When ministry asks something of you that wasn't in your plan — go. Jesus was never hurried by what was ahead of Him, and He was never dismissive of what was in front of Him.

God doesn't work around our convenience. He works through our willingness.

The question isn't "Is this a good time?" The question is "Am I available?"

Here's to growth opportunities.

Blessings,

Teresa
