SEE WHAT YOU'RE HELPING MAKE POSSIBLE

"Do not withhold good from those to whom it is due, when it is in your power to act." proverbs 3:27 (NIV)

Planting Seeds of Hope

A 19-year-old young woman found Lovli Life, last week, while searching online for maternity homes after being kicked out of her home for choosing to keep her baby. We drove to Columbia to bring her to safety, providing emergency housing while preparing a Cherished Host Home for her. Before she transitioned, her mother offered to support her pregnancy, and she chose to return home.

While her journey took an unexpected turn, we believe something important happened along the way. By showing up when she had nowhere else to turn, we planted seeds of hope not only in this young mother's life but also in the hearts of her family. Sometimes, making a difference means providing a home, and sometimes, it means helping a family find its way back to love and support.

Her story also reminded us how important it is for women to find us when they need help, prompting us to refine our messaging so more women searching for maternity housing and support can discover Lovli Life.

The People Behind the Purpose

Ride for Life: Riding for Hope

On October 3, Lovli Life hosted its inaugural **Ride for Life**, bringing together motorcycle enthusiasts and community supporters for a day dedicated to hope and making a difference. **The event was a wonderful success, and we are so grateful to everyone who helped make it possible!**

The funds raised will help 12 women discover God's truth through Embrace Grace and leave room for hot home parents' room requirement purchases.

Thank you for helping us raise awareness for Lovli Life and for standing alongside the women and families we serve. Your support reminds us that when a community comes together, lives can be changed!

Thank you for riding with us, for life and for hope! ❤️
