LovLi Life

A NEW APPROACH TO MATERNITY HOMES

Volunteer Handbook & Application Packet

Supporting Women. Offering Hope. Serving Communities.

Welcome

Thank you for your interest in serving with LovLi Life. Our volunteers are an essential part of our mission to surround single pregnant women with safe housing, compassionate support, practical resources, and hope so they never have to face pregnancy alone. We believe every volunteer has unique gifts that can make a lasting difference in the lives of mothers and babies.

Mission

LovLi Life walks alongside single pregnant women who have chosen life for their babies but need support to build a stable future. Through safe housing, caring relationships, mentorship, and encouragement, we help mothers rediscover their worth, grow in confidence, and develop the tools they need to create a life filled with stability, independence, and hope for themselves and their children.

Vision

Introducing the first of its kind in our area: Cherished Host Homes–now in Harford and Cecil counties, with a replicable model to expand nationwide. Where both momma and baby are loved, supported, and given the resources to develop life skills that build confidence and enable them to walk in their worth, unapologetically.
